# CCP at Nash Community College

One of the fabulous programs that Nash Community offers is the Career and College Promise Program, better known as CCP. CCP offers tuition free college classes to eligible high school students. Many of these courses transfer to 4-year institutions and help students start their college career with credits already on their transcript. CTE courses can be taken to earn job credentials and certificates, helping students become more versatile in the job market. Either way, the CCP Program is a wonderful opportunity for high school students to experience the rigors of college and explore a multitude of careers, all tuition free!

**So...what are the  
benefits?**

## Academic Benefits

- **College Transfer Courses:**

Students who take college transfer classes earn tuition-free course credits toward a four-year degree through Nash Community College. Credit for all courses will transfer to all UNC institutions and many of NC's independent colleges and universities.

- **CTE Courses:**

Students who take CTE courses also earn tuition-free course credits at Nash Community College toward an entry-level job credential, certificate, or diploma in a technical career.

## Financial Benefits

- Taking college classes while in high school can save THOUSANDS of dollars in tuition!

# How Do I Enroll?

# Enrollment

- ❖ **Step One:** Students contact their high school counselor. The counselor will direct students to their assigned career coach at the community college.
- ❖ **Step Two:** Students complete the CCP application and submit to their assigned career coach, along with an official high school transcript.
- ❖ **Step Three:** Once the application is processed, the career coach will provide students with an ID number to use in setting up their Student Portal.
- ❖ **Step Four:** Students submit course requests with directions provided by their career coach.
- ❖ **Step Five:** The career coach will register students and send their schedule, along with directions on obtaining required course materials.
- ❖ **Step Six:** Students will participate in an orientation.
- ❖ **Step Seven:** Students will begin classes.

# Disability Services

- ❖ As a part of enrollment procedures, students are responsible for communicating learning needs to the college.
- ❖ Counselors assist with admission and registration as needed, make referrals to, and work with agencies which serve the needs of students with disabilities. At the student's request, the ADA Coordinator will meet with the student to assess the individual needs, documentation, and determination of reasonable accommodations.

## **FERPA: Family Educational Rights and Privacy Act**

Another important part of enrolling in college is understanding FERPA. FERPA is federal legislation that states instructors and college personnel cannot give out a student's academic records, accommodations and disabilities to anyone other than the student, including the student's parents. If a student wishes to have his/her parents receive information and be able to communicate with the college about his/her grades or other student-specific information, a FERPA form must be completed.

# Nash Community College Campus Resources

There are many resources available to students enrolled at NCC!

- ❖ **Campus Bookstore:** Textbooks, NCC merchandise, and a wide range of items are available in the NCC Campus Store.
- ❖ **Student Wellness Center (SWELL):** The Student Wellness Center with clinical outreach counseling is one way NCC connects students with qualified professionals and community resources who can offer support.
- ❖ **Tutoring Services:** An array of free tutoring services are available.
- ❖ **Campus Library:** The NCC Library provides collections, resources, and services to support academic success, professional development, life-long learning, and personal enrichment.

# Are Scholarships Available?

# Blue Love Scholarship

Nash Community College is committed to lifelong success of its students. The Blue Love Scholars Program is aimed at helping individuals with their educational journey. This program is an effort to help students with the continued increases in college expenses. Applicants could qualify for up to two years of in-state tuition assistance.

The Blue Love Scholars Program is specifically designed to help qualifying high school graduates with tuition assistance. The scholarship can only be applied to two-year degree programs. Funding for the Blue Love Scholars Program is contingent on all source of student funds available including state and federal aid, NCC scholarships and other NCC funds. Funding will be awarded in the above order.

*The application process opens in mid-March.* The application packet will include a completed application, official transcript showing status as a junior or senior, qualifying test scores (for the College Transfer Pathways). Home school students must also provide a copy of the Official Non-Public School Registration Card. Students may choose one College Transfer Pathway, one or two CTE pathways, or a combination of one College Transfer and one CTE pathway.

# Are There College Transfer Opportunities?

## **College Transfer Opportunities**

Nash Community College has partnerships with many local colleges and universities, including North Carolina Wesleyan College, East Carolina University, UNC-Wilmington, and North Carolina State University. Two of our most popular programs are NCSU C3 and ECU Pirate Promise.

# NCSU C3 Program

The Community College Collaboration (C3) is a dual-admission program between NC State and 13 community college partners. C3 is open to students immediately after completing high school who have successfully completed at least three classes at Nash Community College. Students admitted into the C3 Program will attend Nash Community College tuition-free to attain their associate's degree.

The C3 application opens in the fall, typically in November, and is open until June 1st. Admission is on a rolling basis and students will be notified within 4 weeks after they complete their application. C3 students will have the opportunity to participate in social events and academic programming on NC State's campus. Many of the community college partners will also host C3 events on their campuses. C3 students will be assigned an NC State advisor while they are completing their associate degree at one of our participating community colleges. Advisors will be assigned during the student's first term in C3. However, while NC State advisors are here to support you during your time in C3, your primary advisor.

# ECU Pirate Promise

Prepare for your future: join the Pirate Nation with Pirate Promise. This transfer program is for students who are in their first year of coursework at their community college to attend special events, receive advising assistance, and support before they apply to ECU. Pirate Promise is open to students immediately after completing high school who have successfully completed at least three classes at Nash Community College. Students admitted into the Pirate Promise Program will attend Nash Community College tuition-free to attain their associate's degree. The program provides advising assistance and support before applying to ECU, as well as guaranteed admission and a waived application fee.

Benefits include the following:

- A dedicated transfer coach

- ECU 1 Card

- Access to resources such as Career Services, the Writing Center, Financial Aid and ECU libraries

- Access to athletic events, campus recreation and other campus events

- Guaranteed admission to ECU and a waived application fee with your associate degree (+2.5 GPA)

If you are interested in joining the CCP Program at Nash Community College, please contact your high school counselor, and he/she will connect you with the CCP Team. We look forward to working with you to craft your academic journey!
