

# NCC Web Browser Recommendations

It is recommended that students use either the Google Chrome or Mozilla Firefox web browser for **ALL Moodle courses**.

## **Chrome**

You can download the latest version of Chrome at <http://www.google.com/chrome/>

**Note:** Adobe Flash Player is integrated directly into Chrome and does not require a separate download when Chrome is used as your web browser.

## **Firefox**

You can download the latest version of Firefox at <https://www.mozilla.org/en-US/firefox/products/>

**Note:** If you choose Firefox as your web browser, you will need to verify that you have the latest version of Adobe Flash Player. You can check your version or download Adobe Flash Player at <https://get.adobe.com/flashplayer/>
